THE #1 ASTONISHING

Habit You Must Have to Realize Your Full Potential

As you pursue your purpose, it's essential to collaborate with others to maximize your access to resources and prospects. A lack of clear goals or no sense of purpose can make it easier to be swayed by new and exciting opportunities. You may not realize there are consequences to becoming distracted. Distractions will delay and make it challenging to achieve your goals. You will be inconsistent, become burned out, and reduce your overall effectiveness.

Nevertheless, not every proposition should be considered as an opportunity. Distinguishing between a mere good idea and a divine God idea is crucial. Prior to making any commitments, it's essential to pray, evaluate, and assess a potential offer, particularly if you're determined to fulfill your calling. It becomes simpler to say yes or no when you've received divine guidance. However, there may be other enticing opportunities that demand additional prayer and discernment.

Before immersing yourself in a new opportunity, ask yourself these ten questions.

YES	NO	?	
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Am I truly interested AND motivated about pursuing this opportunity? More importantly, have I heard from God, and is this His will for my life?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Is the person presenting this opportunity legit?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	What will we both gain from this opportunity (glorifying God's name, becoming a testimony, exposure, increasing revenue, etc.)?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Has God ordered my steps, and what can I potentially lose if this opportunity doesn't work out?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	How much commitment is required, and is this opportunity worth the time?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Can I use this opportunity as leverage? Does this opportunity leverage my God-given talents and strengths?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Do I have the resources (faith + works) to successfully execute this opportunity?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does it align with God's word?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Will this opportunity be a distraction to my short-term and long-term goals?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Is there any other information I need to know about this opportunity?

Review this list when presented with a possible opportunity. If you answered 'maybe', take time to pray and hear from God before making a decision. Whether it's a networking, career, or business opportunity, these ten questions will help guide you to see if the offer aligns with the call of God for your life.
